

# CHI OMEGA

MEMBERSHIP NOTEBOOK

## **Included in the Living My Ritual Section:**

The Chi Omega Ritual captures the values that are important to this organization and by which each one of us is challenged to live every day. It is our responsibility to share the spirit of Chi Omega with other people. While the Ritual is shared only with initiated members, those around us should be able to tell that Chi Omega values unity, unselfishness and cooperation by observing our behavior. One way we can help others see these values is through our behavior as Chi Omega Sisters. We are role models for each other and must take that responsibility very seriously.

This tab is reserved for you to record your thoughts about living your values and to file information and reminders to help you live our Chi Omega Ritual. Please remember, the Chi Omega Ritual is confidential. Do not record any specific information that would breach the confidentiality.
